

Carers Outreach Service

‘With Words’

for those who want to be read a story

‘With Words’ provides in-home storytelling for unpaid adult carers who live close to train stations from Holyhead to Llandudno. Choose from our list of books below, or let us know if there are specific books that you would like to hear. Our volunteer reader will come every week for two hours to read to you, and provide a unique experience of care and rest.

Books on the shelf:

- ◆ Harry Potter
- ◆ Two Princesses of Bamarre
- ◆ A Wrinkle in Time
- ◆ The Girl Who Saved the King of Sweden
- ◆ A Tale of Two Cities
- ◆ The Thief Lord
- ◆ House of the Seven Gables
- ◆ The Tale of Desperaux
- ◆ The Wolves of Willoughby Chase

Please note our volunteer will be travelling by train and therefore we can currently only offer this service to carers who live near a train station.

This is not a sitting service and therefore no cared for person can be left alone with our volunteer.
