

New caravan in Conwy
Special rates for unpaid carers

We have a new caravan which is situated just outside Conwy. The caravan is within easy walking distance of the beautiful Morfa sandy beach, Conwy's shopping and tourism district, the local marina and Conwy castle are all 1 mile away.

Backed by a forested fold of Snowdonia, the town boasts a fine castle and a nearly complete belt of town walls.

The town has a Spar supermarket, several bakeries, pubs, cafes, restaurants and a good variety of individual shops.

Conwy is also ideally situated as a launch pad to go off exploring, with good rail and bus links if you rely on public transport. You can choose from Llandudno, Betws y Coed, and Snowdonia National Park, to name but a few.

There is free wi-fi in the caravan.

The site is suitable for all ages including families with children.

Carers can stay with their dependants, family or friends.

The caravan holds up to 4 people based on a double and 1 set of 2 single beds.
